

### Play Dough Recipe

I used to make a batch of this play-dough once a month in the classroom. Changing the colors for the season. Although 20 little hands stayed busy shaping and molding, the play dough never dried out!

You'll need:

Flour 3 cups

Salt 1 1/2 cups

Water 3 cups

Vegetable Oil 2TB.

Cream of tartar 1TB.

Food coloring few drops or unsweetened "Kool-Aid" 1pkg.

Mix ALL of the ingredients in a large saucepan.

Cook over medium low heat, until the dough comes away from the edges of the pan and it becomes difficult to move the spoon. Remove from heat. Cool until it can be handled.

Place on counter or wax paper knead 3-4 times.

Store in an air tight container.
