

## Mark's Nearly Famous Waffles

- Preheat Waffle Maker

### Ingredients:

2 Cups Flour  
3 Tablespoons Sugar  
1 Teaspoon Salt

1  $\frac{3}{4}$  Cup Milk  
6 Tablespoons Butter  
2 Eggs

Mix Dry Ingredients

Beat 2 Eggs

Add milk to Eggs

Microwave 6 Tablespoons of Butter for 30 seconds or until "melted"

Note: best to leave a little of the butter not melted so butter isn't too hot.  
Gently stir butter until all remaining butter has melted.

Add Butter to Egg and Milk mixture and Whisk until blended.

Combine Wet and Dry ingredients and gently whisk until smooth.

Cook as needed to a golden brown. (About 2 minutes depending on waffle maker.)
